

The Federal Communications Commission

Dear The Federal Communications Commission,

We do not want to pay more for our telephone service! We urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. We are concerned that this proposal could make our current service unaffordable.

We use our wireless phones for safety, security and convenience. We urge you to reject the proposal to move the USF collection system to a flat-fee.

Sincerely, Mr. & Mrs. Jerry Miller

Sincerely,
